Discovery

We can work with you to review, develop and enhance your team and organisational health and wellbeing.

We are particularly interested in helping organisations become healthy and life giving places to work. We will work with you to develop bespoke organisational health strategies, identifying steps and practical options for your organisation to take. We can provide our discovery services in person, remotely and travel to field programmes. Our expertise includes:

- Developing Inspiring Leadership
- Assessing the Health of Your Organisation
- Managing Change Well
- Leadership and Team Development
- Thriving Managers Leading the Whole Person
- Growing Healthy & Thriving Teams
- Crisis Management
- Thriving at Work Assessment
- Wellbeing Survey
- Creating Safe Workplaces
- Shifting your Organisational Culture
- Organisational Culture Discovery

Email info@thrive-worldwide.org to schedule a meeting and see how we can support you.

Facilitation

We will listen to understand your needs so that we can work together to develop tailored learning and training solutions and programmes.

Our training programmes can be used to build your organisational capacity, create resilience in your team and equip your organisation to respond well in complex situations.

We can provide learning in-person and online, and we're currently able to offer learning in a number of different languages including English, French, Arabic and Spanish. Email us for your language needs. Programmes include:

- Trauma & Psychological First Aid
- Stress & Resilience
- Mental Health Awareness
- Creating Psychological Safety
- Courageous Conversations
- Family Liaison in a Crisis
- Grief & Bereavement
- Peer Support / Wellbeing Champions
- Vicarious Trauma & Resilience
- Mental Health First Aid
- Equipping Managers
- Team Dynamics
- Safeguarding
- Unconscious Bias
